5.	Purpose of Processing of Personal	Processing purposes:
	Data and the Legal Basis for Data Processing	Personal data will be collected and processed in the register to enable Finavia to perform its business efficiently and for this purpose to:
		 organise negotiations with airport users on charges levied by Finavia as outlined in the Act on the Airport Network and Air- port Charges,
		 send invitations to negotiations on the implementation of major infrastructure projects,
		 keep in contact with representatives and contact persons of air carriers for purposes other than those mentioned above, or
		 use the contact details of the data subjects to send requests and invitations to participate in customer surveys, interviews and other similar surveys aimed at improving Finavia's ser- vices, including related consent requests.
		Legal basis:
		In so far as the legislation in force requires Finavia Corporation to consult the users of its services on airport charges and airport investments, the applicable legal basis is compliance with the legal obligation to which the data controller is subject.
		For the remainder, the legal basis is the fulfilment of the legitimate interests of the data controller in connection with the customer/cooperation relationship between the employer of the data subjects and Finavia. In this case, the legitimate interest is the execution of customer relationship and liaison and customer surveys in a

	business-efficient manner to monitor and develop the quality of the services of Finavia Corporation.
6. Recipients of Personal Data	Personal data will not be transferred or disclosed outside Finavia.
	To the extent that the data in this customer register is used to send consent requests for individual surveys, interviews and other similar requests, any transfers of data (e.g. to a partner acting as a service provider) shall be detailed in the relevant privacy statement that communicates how Finavia Corporation processes personal data in connection with performance of a particular survey.
7. Data Contents of the register	The register consists of a customer database and a variety of customer relationship attachments, which may also include personal data.
	Personal data concerning customer contacts in the customer database: • First name and last name • Company or community • Contact information for the person • Position or task in the company
	Customer relationship attachments, (e.g. e-mail correspondence with customers) may include similar types of personal data as the customer database.
8. Data Sources	The data in the customer database is obtained from the data subjects, mainly from business cards received from them or in any other similar manner.
	The communication data formed in liaison (the customer relationship attachments) is obtained from the data subjects or from a Finavia employee using the information system.
9. Disclosure of Data and Transfer of Data to the Countries Outside of the European Union or the European Economic Area	The data shall not be disclosed or transferred to countries outside the EU or the EEA.
10. Data Retention Period	In principle, Finavia Corporation retains the data for as long as the person is employed in a customer segment relating to Finavia's business activity in a task which is connected with processing purposes mentioned in Section 5.
	We will take reasonable measures to keep the personal data we possess accurate by deleting unnecessary data and updating outdated data. Data will be entered in the register as obtained from the data subject and will be updated to reflect the information provided by the data subject to the data controller.
11. Data Protection Principles	Personal data contained in this register shall be protected by technical and organizational measures against unjustified and/or unlawful access, modification and destruction, or other processing, including unauthorized disclosure and transfer of the data in this register.
