The data controller shall also prevent the dissemination of such data if the data could compromise the data subject's privacy protection or his/her rights.</p> <p>At the data subject's request, the data controller shall restrict the processing of data if the data subject has contested the accuracy of his/her personal data, or if the data subject has claimed that the processing of data is unlawful, and has opposed the erasure of the personal data and requests the restriction of their use instead. The data controller shall also restrict the processing of data when the data controller no longer needs the personal data for the purposes of the processing, but they are required by the data subject for the establishment, exercise or defense of legal claims. In addition, the data controller shall restrict the processing of data, if the data subject has objected to the processing of personal data pursuant to the General Data Protection Regulation, and while a determination is pending the verification whether the legitimate grounds of the data controller override those of the data subject. If the data controller has restricted the processing for the aforementioned grounds, the data controller shall inform the data subject before the restriction of processing is lifted.</p> <p>The requests for rectification shall be submitted to the contact person indicated in section 2 of this Privacy Policy or by using the Subject Access Request form available on the Finavia website (https://www.finavia.fi/en/data-protection).</p>
<p>16. Right to Lodge a Complaint</p>	<p>The data subject has the right to lodge a complaint with the supervisory authority if Finavia Corporation has not complied with the applicable legislation governing data protection in its operations.</p>

<p>17. Communications</p>	<p>The data subject shall send the requests concerning his/her rights in writing or by email to the contact person indicated in section 2 of this Privacy Policy or by using the Subject Access Request form available on the Finavia website (https://www.finavia.fi/en/data-protection).</p> <p>Finavia Corporation may request the data subject to specify the request and verify his or her identity before processing the request. Finavia Corporation may refuse to execute the request based on the provisions of applicable law.</p> <p>Finavia Corporation shall respond to the requests within one (1) month of receiving the request, unless there are special reasons to change the response time.</p>
<p>18. Automated Decision-Making and Profiling</p>	<p>The data shall not be used for automated decision-making or profiling of the data subjects.</p>
<p>19. Changes to the Privacy Policy</p>	<p>Finavia Corporation is continuously developing its business and therefore reserves the right to change this Privacy Policy by posting a notification of changes on its website. The changes to the Privacy Policy may also be based on the legislative changes. Finavia Corporation recommends that the data subjects check the contents of the Privacy Policy on a regular basis.</p>
<p>20. Description of update changes</p>	<p>14 October 2021:</p> <p>Due to a change of the press release distribution service provider, both the subscription procedure and responsibility for data protection have partially changed. STT Viestintäjärjestelmät Oy acts as the data controller of the subscriber data file, and Finavia shall only be responsible for the collection of data on its website as well as the transmission of the data to STT. The privacy policy has been updated accordingly. The changes are so numerous that the amended sections of text compared to the previous version have not been highlighted.</p>
